KASUVOJVALA SRIJA

Mancherial,Telangana ,504208 • Conctact :+91 6305306710 • srijakasuvojvala@gmail.com

PROFILE

As a tech enthusiast with foundational knowledge in programming, software development methodologies, and hands-on experience in coding languages, I'm eager to learn and adapt to new technologies and frameworks, with a focus on delivering high-quality, scalable software solutions. I want to demonstrate excellent problem-solving skills and a commitment to continuous improvement in software development. I'm ready to contribute development teams and grow within a dynamic tech environment

EDUCATION

Bachelors of technology in Computer science and Engineering   **Sep 2021 - Aug 2025**

Jawaharlal Nehru Technological University College of Enineering, Rajanna Sircilla

 CGPA - 7.8

* Relevant coursework in software engineering ,programming and data structures

Intermediate   **March 2019 - April 2021**

Sarvahitha Junior college, Karimnagar

 98/100 %

* Specialization in Maths, physics and Chemistry

PROJECTS

Machine Learning based Network Intrusion Detection System

* Developed a Naive Bayes machine learning model with 80% accuracy by applying statistical data reduction techniques
* Deployed the model using Flask API and developed a user friendly interface using HTML,CSS
* Studied network security features and attack systems

ADDITIONAL INFORMATION

* **Technical Skills:** MS Visual Studio, C++, Python, Oracle, Mysql, Git, Prompt engineering, AWS, Data manipulation techniques such as Numpy, Pandas
* **Soft Skills:** Communication, problem-solving, teamwork, self-management.
* **Certifications:** Python for data science and AI from IBM with 97% Full stack web development using python from Udemy
* **Hobbies :** Portrait sketching, reading fictional stories, writing poetry.
* **Languages :** English, Hindi, Telugu
* **Interests :** Artificial Intelligence, Virtual Reality, Cyber Security
